This architectural floor plan illustrates the layout of a house. The plan includes several bedrooms, a bathroom, a utility room, and a central entrance area. Key features and dimensions are as follows:

- Slaapkamer 2**: Located at the top left, with dimensions of 7500- x 2600-.
- Slaapkamer 1**: Located at the top right, with dimensions of 1500- x 2600-.
- Slaapkamer 3**: Located on the left side, with dimensions of 7500- x 2600-.
- kast**: A built-in closet located in the hallway between Slaapkamer 3 and the central entrance area.
- badkamer**: A bathroom located centrally, featuring a bathtub and a shower area.
- c.v.-ketel**: A central heating unit located in the bottom right corner.
- Slaapkamer 1**: Located at the bottom left, with dimensions of 7500- x 2600-.
- Slaapkamer 2**: Located at the bottom right, with dimensions of 1500- x 2600-.

The plan also shows various doors, windows, and structural elements like stairs and a central vertical corridor.

# Eerste Verdieping

The diagram illustrates a vertical stack of rooms within a building section. From top to bottom, the rooms are labeled as follows:

- bergzolder**: This room has two levels indicated by dashed lines:
  - 2600+
  - 2600-
- c.v.-ketel**: Located in the **techn. -ruimte**.
- techn. -ruimte**: A room containing the c.v.-ketel.
- overloop**: A narrow corridor connecting the technical room to the other levels.
- onbenoemde ruimte**: An unnamed room located at ground level.

Vertical dimensions are indicated on the left side of the diagram:

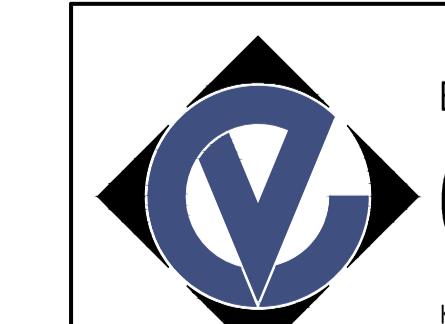

- 1500-
- 1500+
