

This architectural section drawing illustrates a building with a sloped roof and a person sitting on a bench. The building features a series of vertical lines, possibly representing a screen or a wall, and a person is shown standing next to it. The roofline is depicted with a series of wavy lines, suggesting a dynamic or undulating surface. A person is seated on a bench in the foreground, providing a sense of scale. The drawing is a black and white line art, focusing on the geometric forms and spatial relationships of the building and its surroundings.
