

december 9 uur

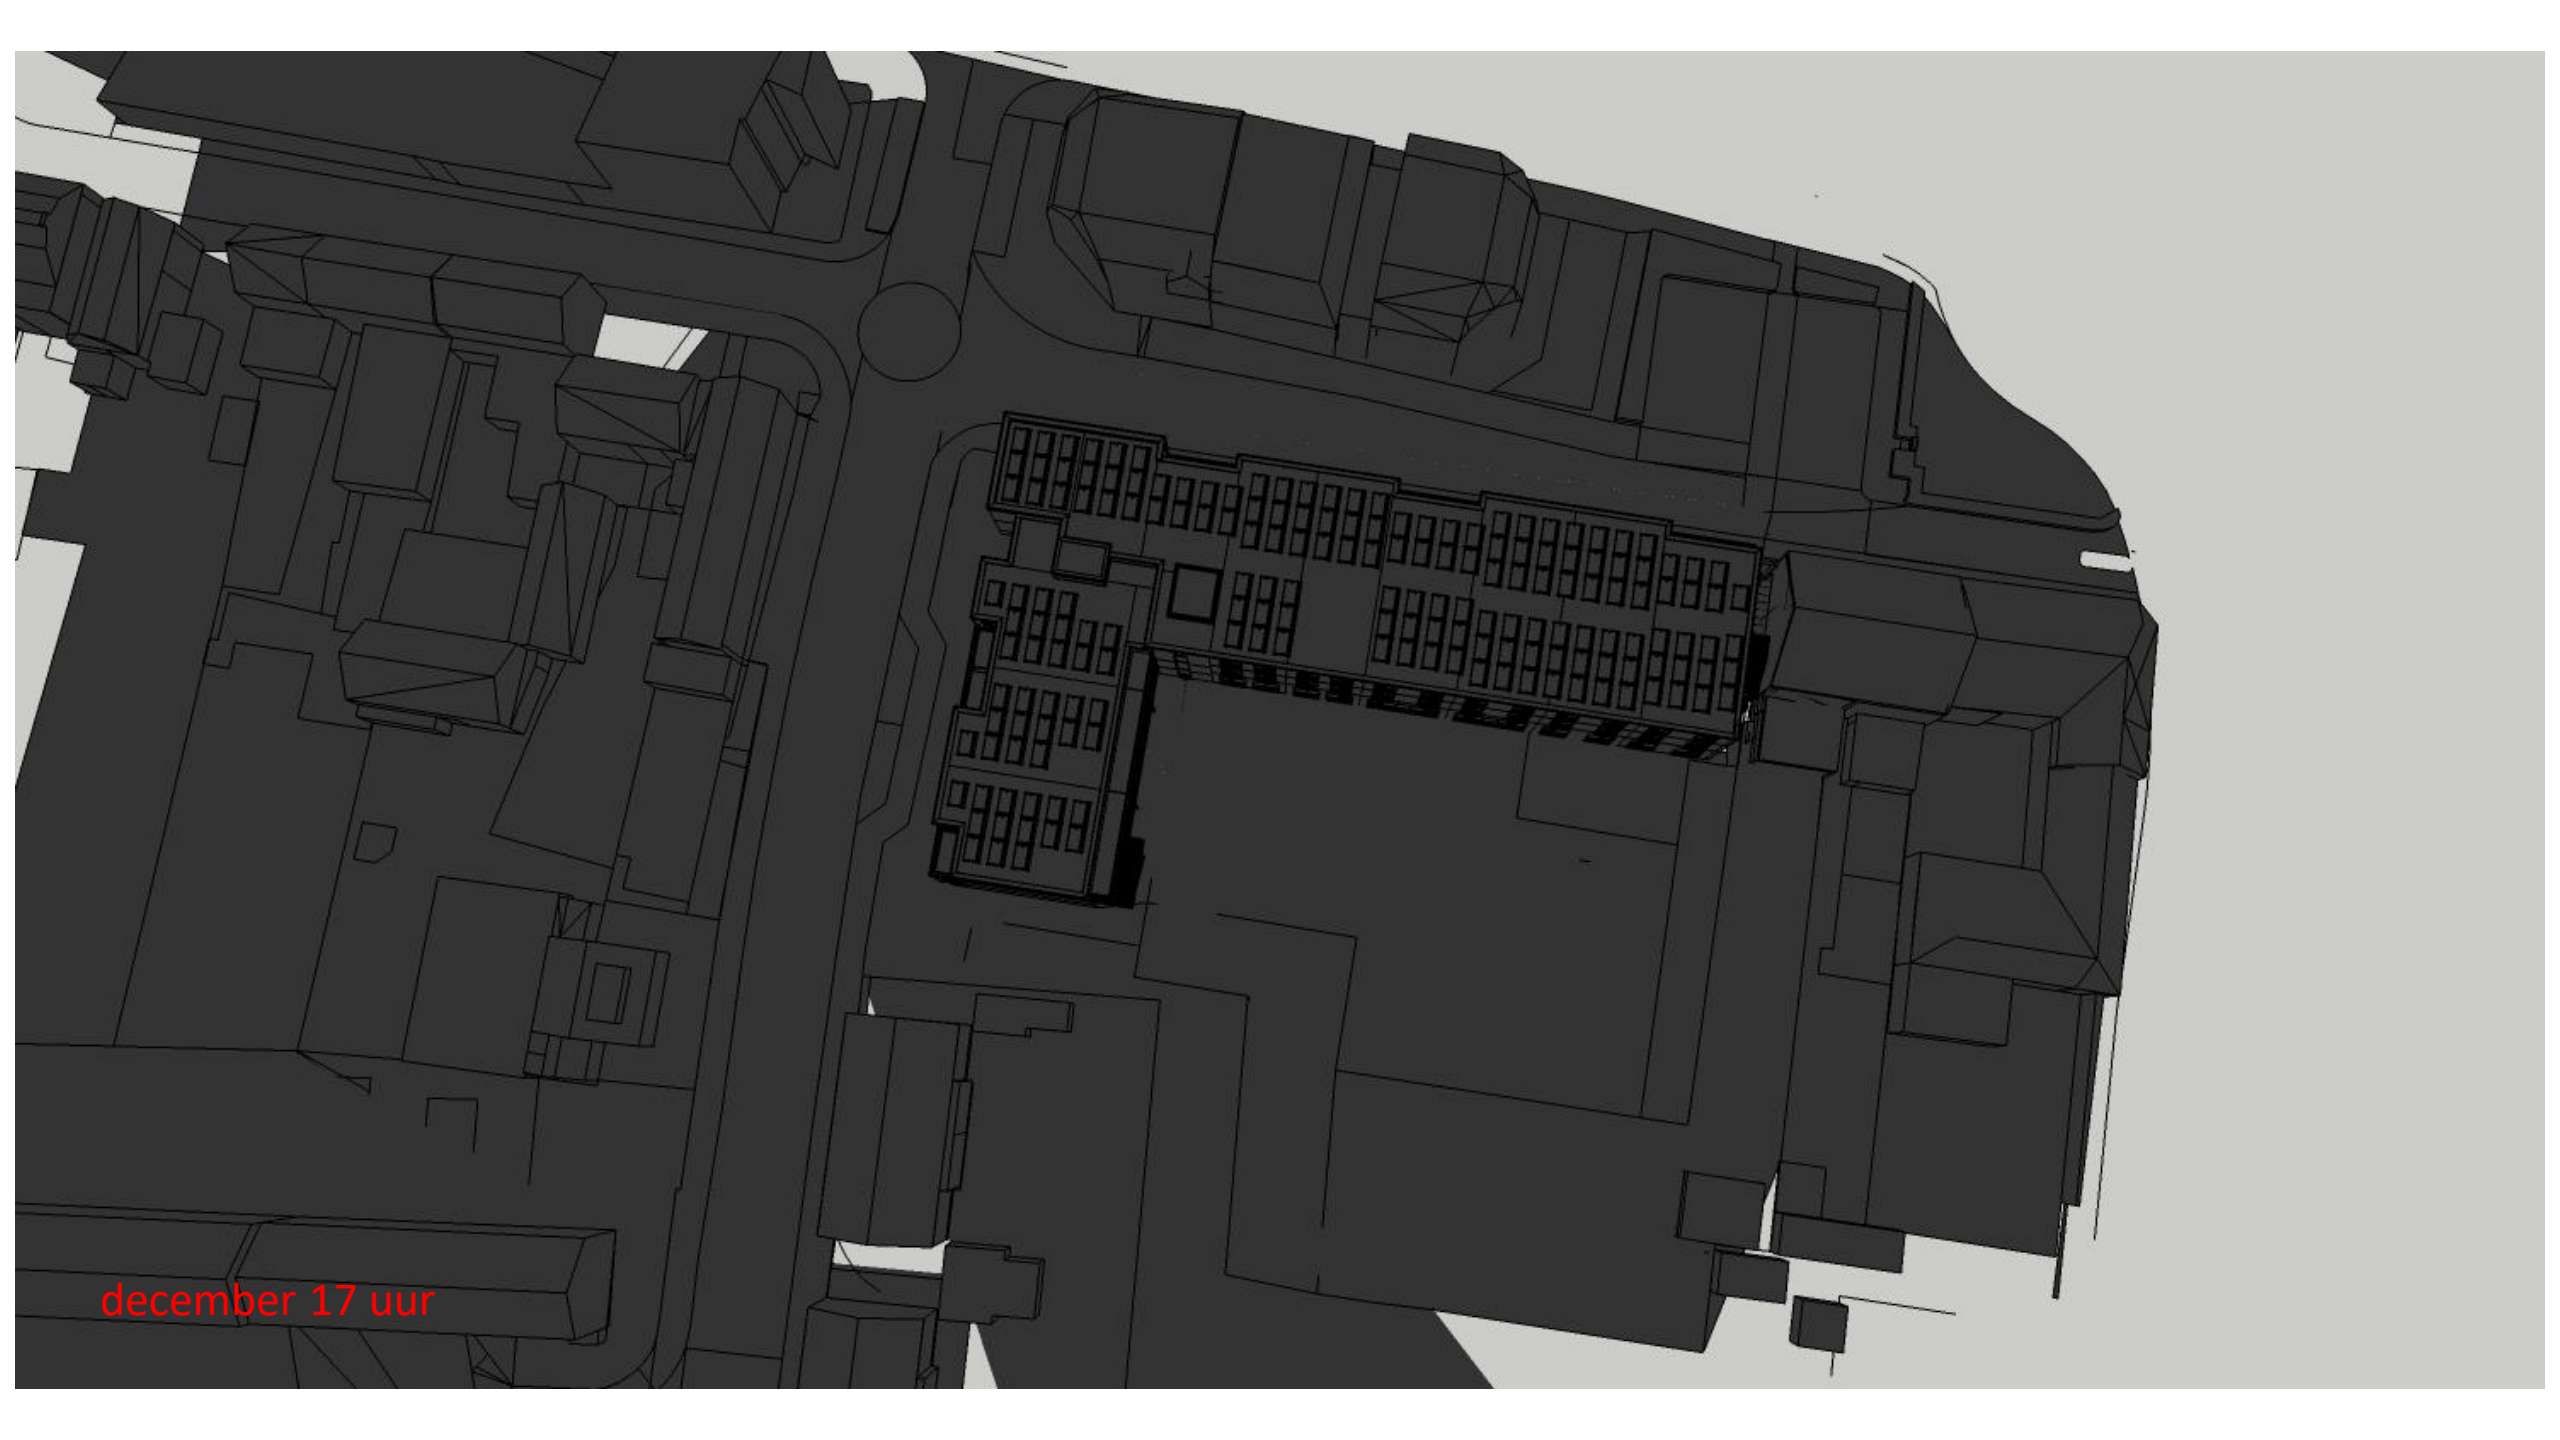

A 3D architectural rendering of a city block, showing various buildings and streets. The scene is rendered in grayscale, with shadows cast by the buildings indicating the sun is high in the sky. The shadows are cast towards the left and slightly forward, suggesting a high sun position. The buildings are of varying heights and styles, with some featuring multiple windows. The streets are wide and paved. The overall scene is a detailed urban environment.

december 12 uur

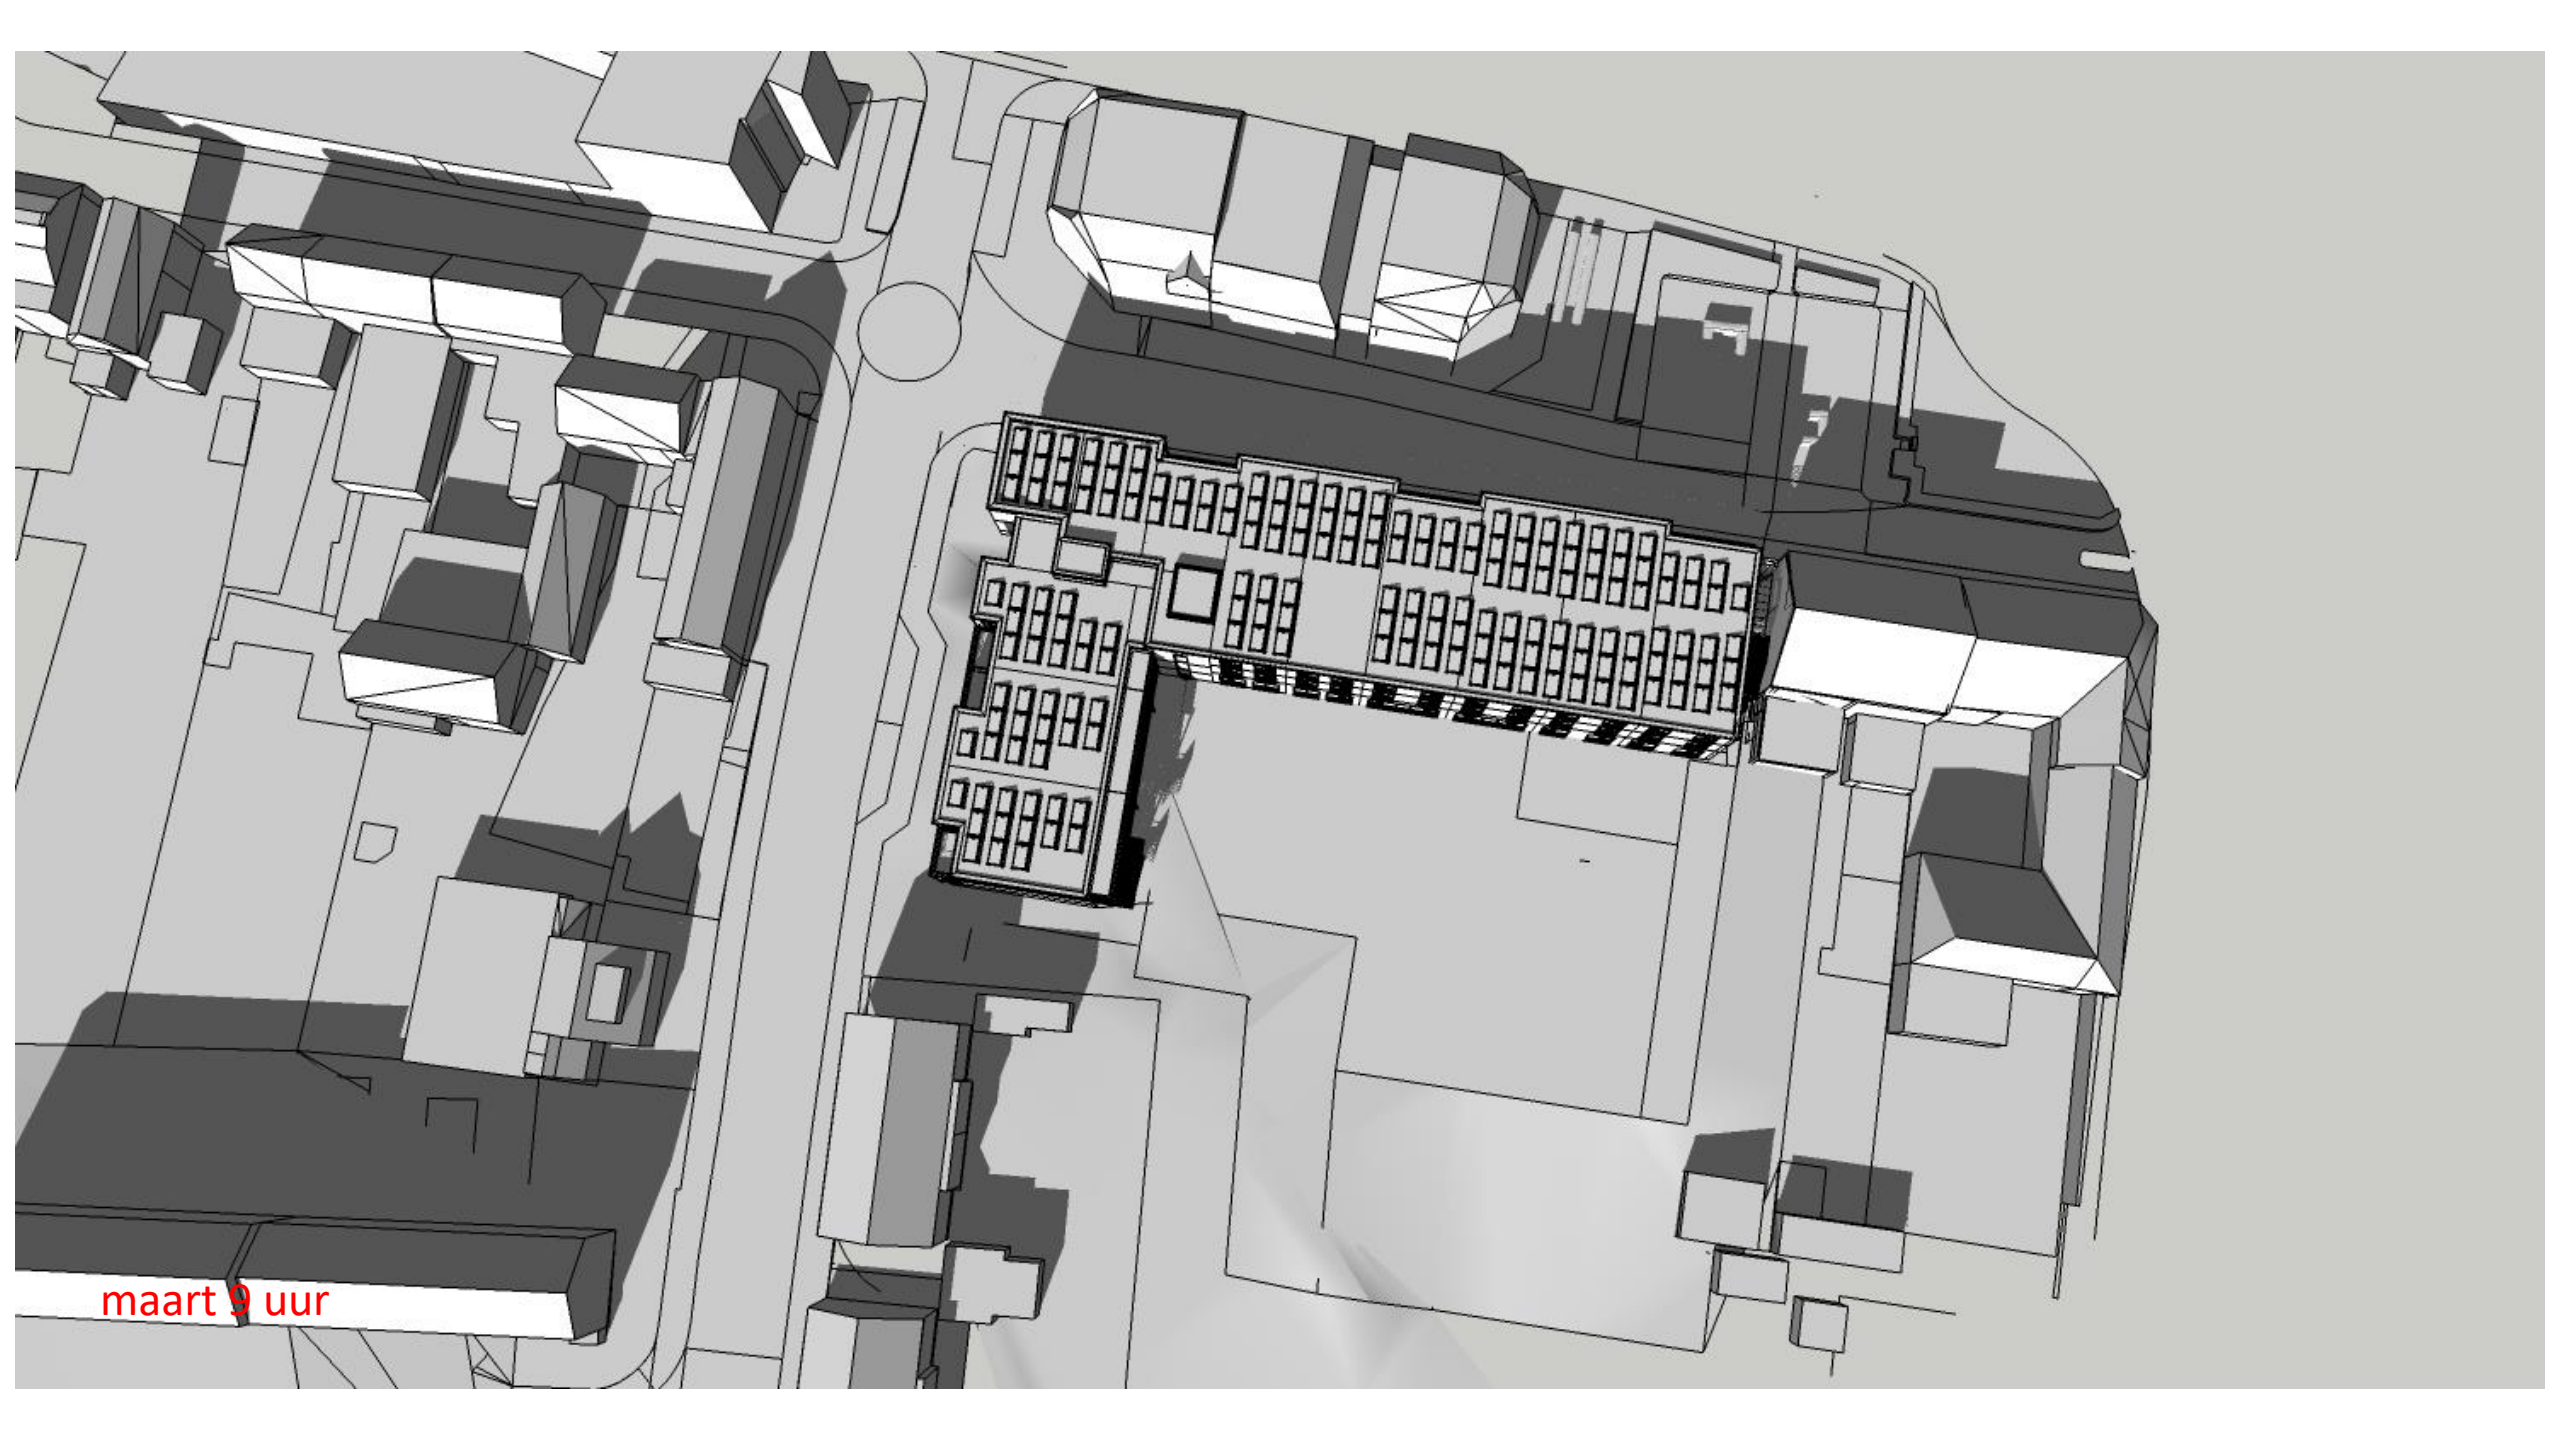

A 3D architectural rendering of a city block. The central focus is a large, multi-story building with a grid-like facade of windows. It is surrounded by other buildings of varying heights and styles. The scene is rendered in a dark, monochromatic style with some highlights. The text 'december 15 uur' is visible in the bottom left corner.

december 15 uur

december 17 uur

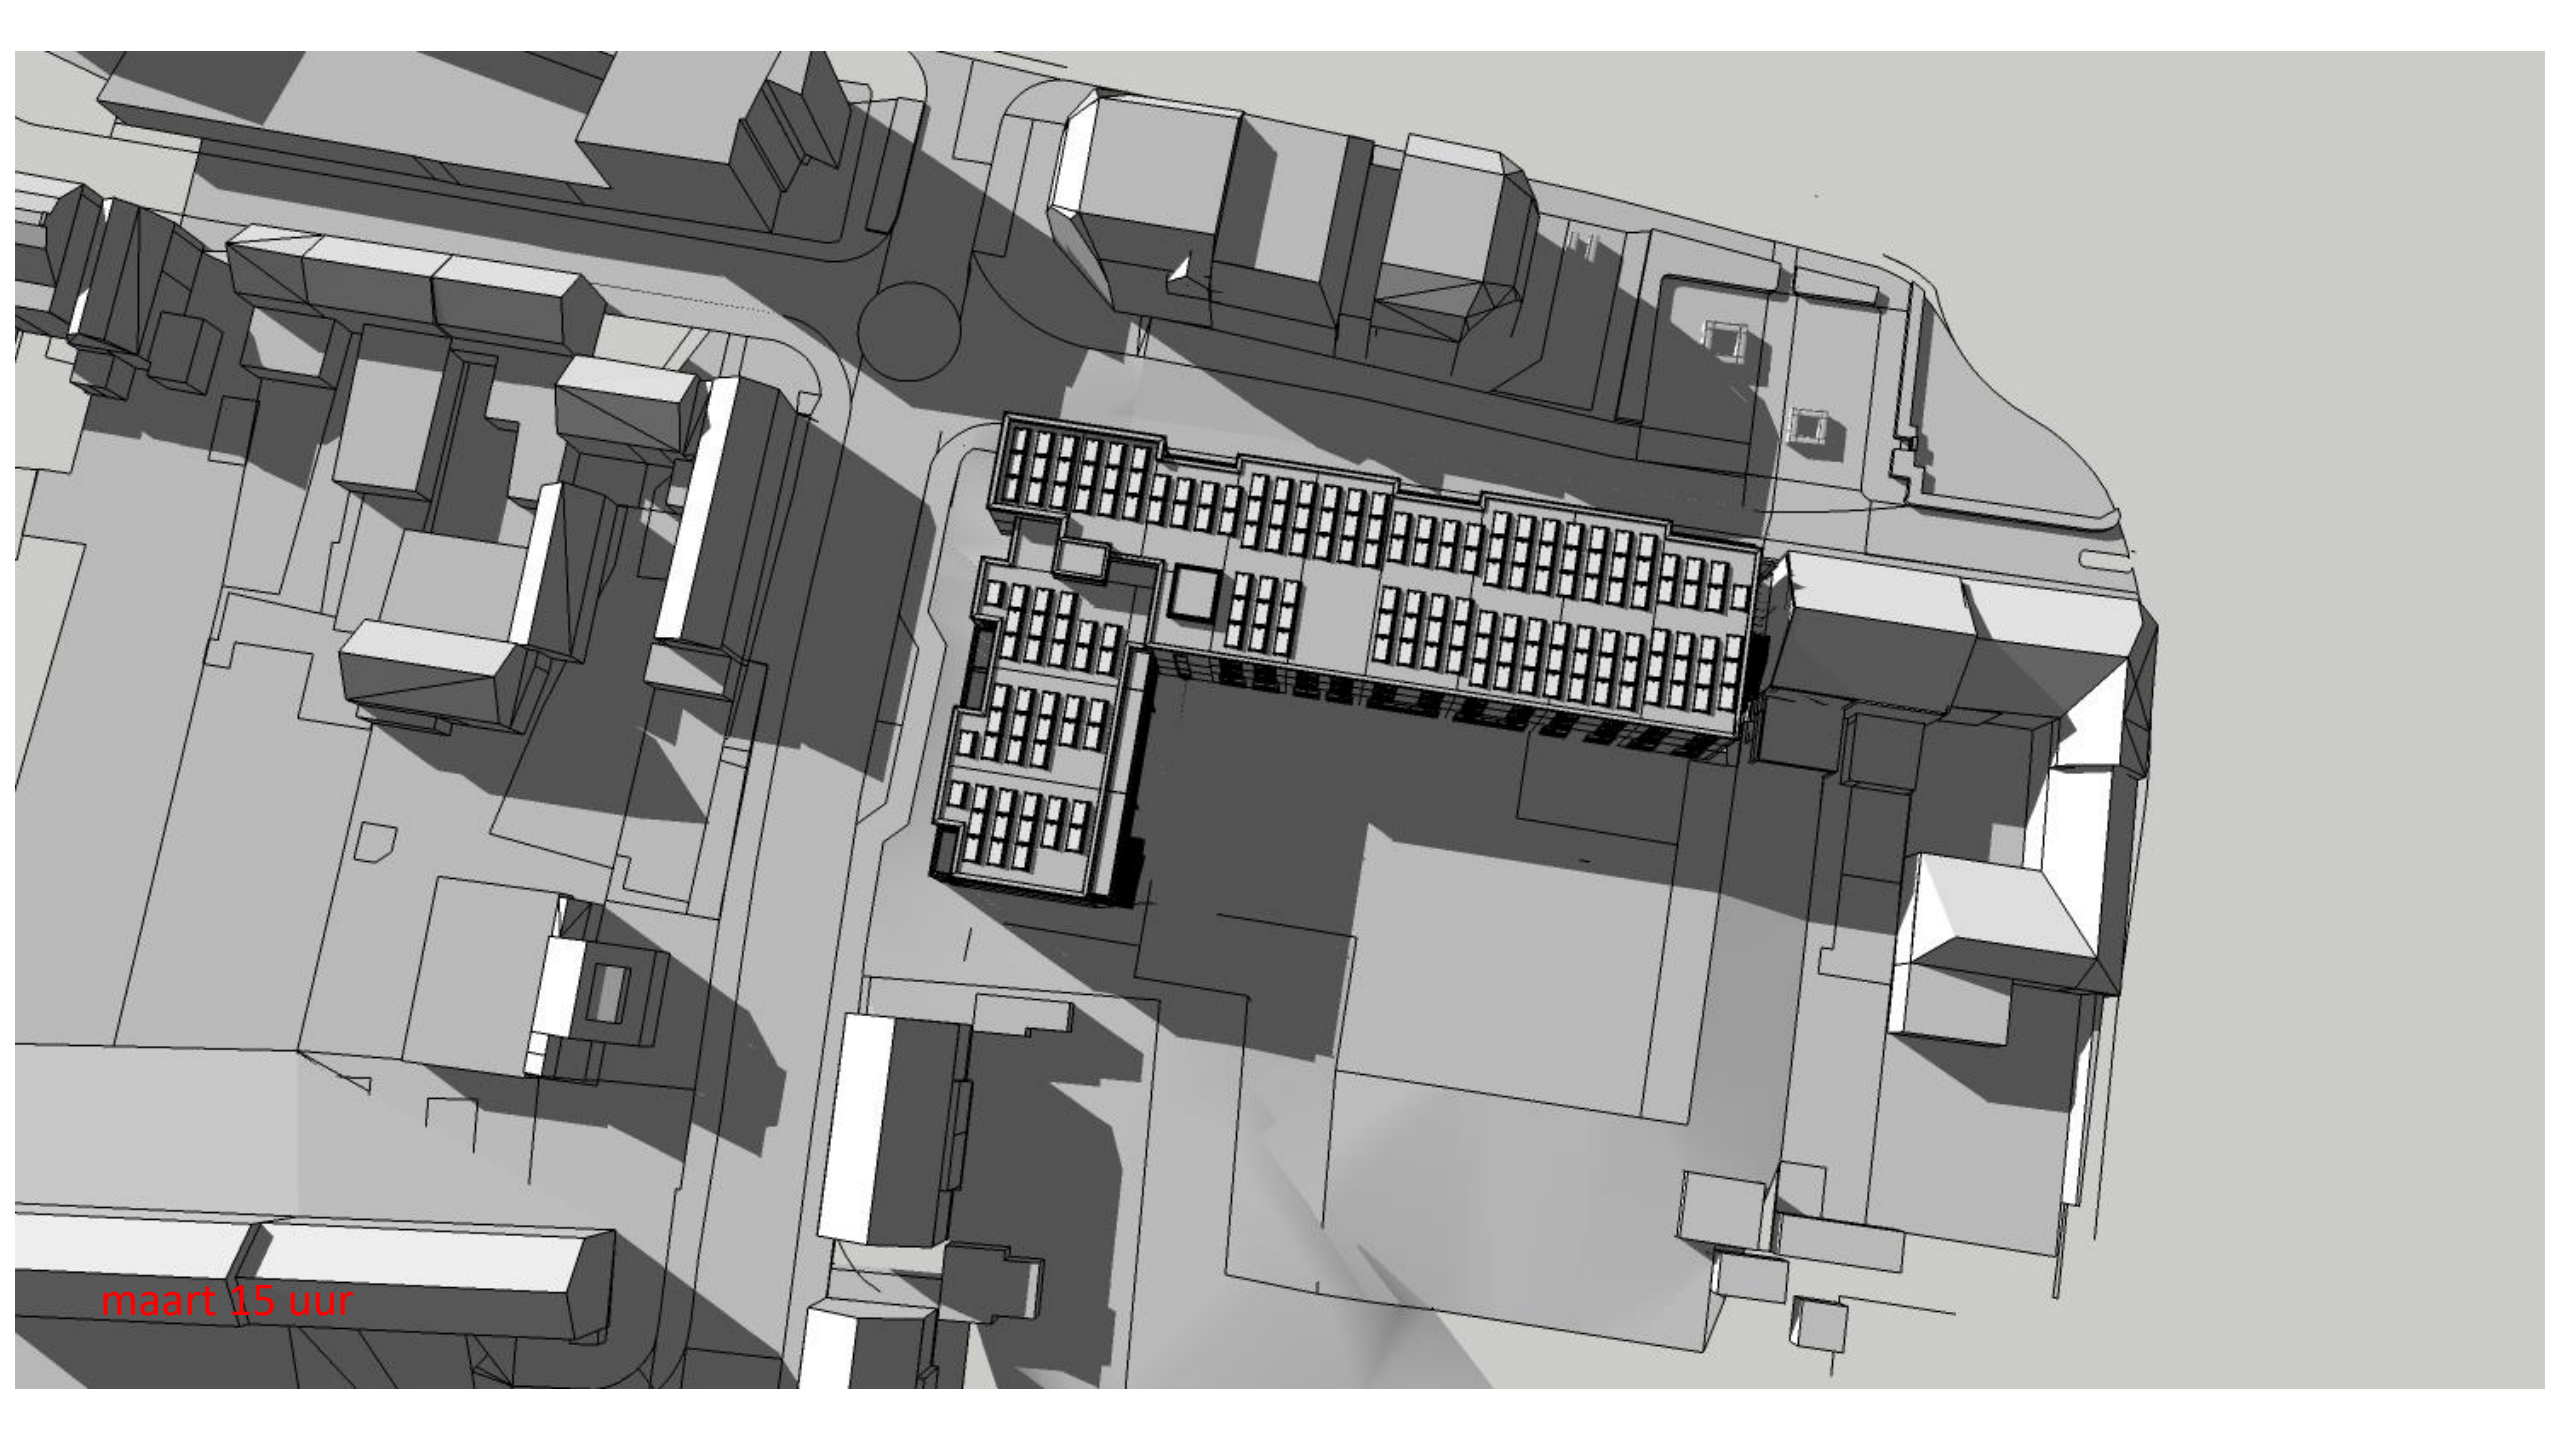

A 3D architectural rendering of a city block. The central feature is a large, rectangular courtyard. Surrounding the courtyard are several multi-story buildings. The building on the left is a long, narrow structure with a series of windows. The building on the right is a larger, more complex structure with multiple wings and a prominent entrance. The buildings are rendered in a light gray color with black outlines. The courtyard is a flat, light gray surface. The overall style is a clean, minimalist 3D model.

maart 9 uur

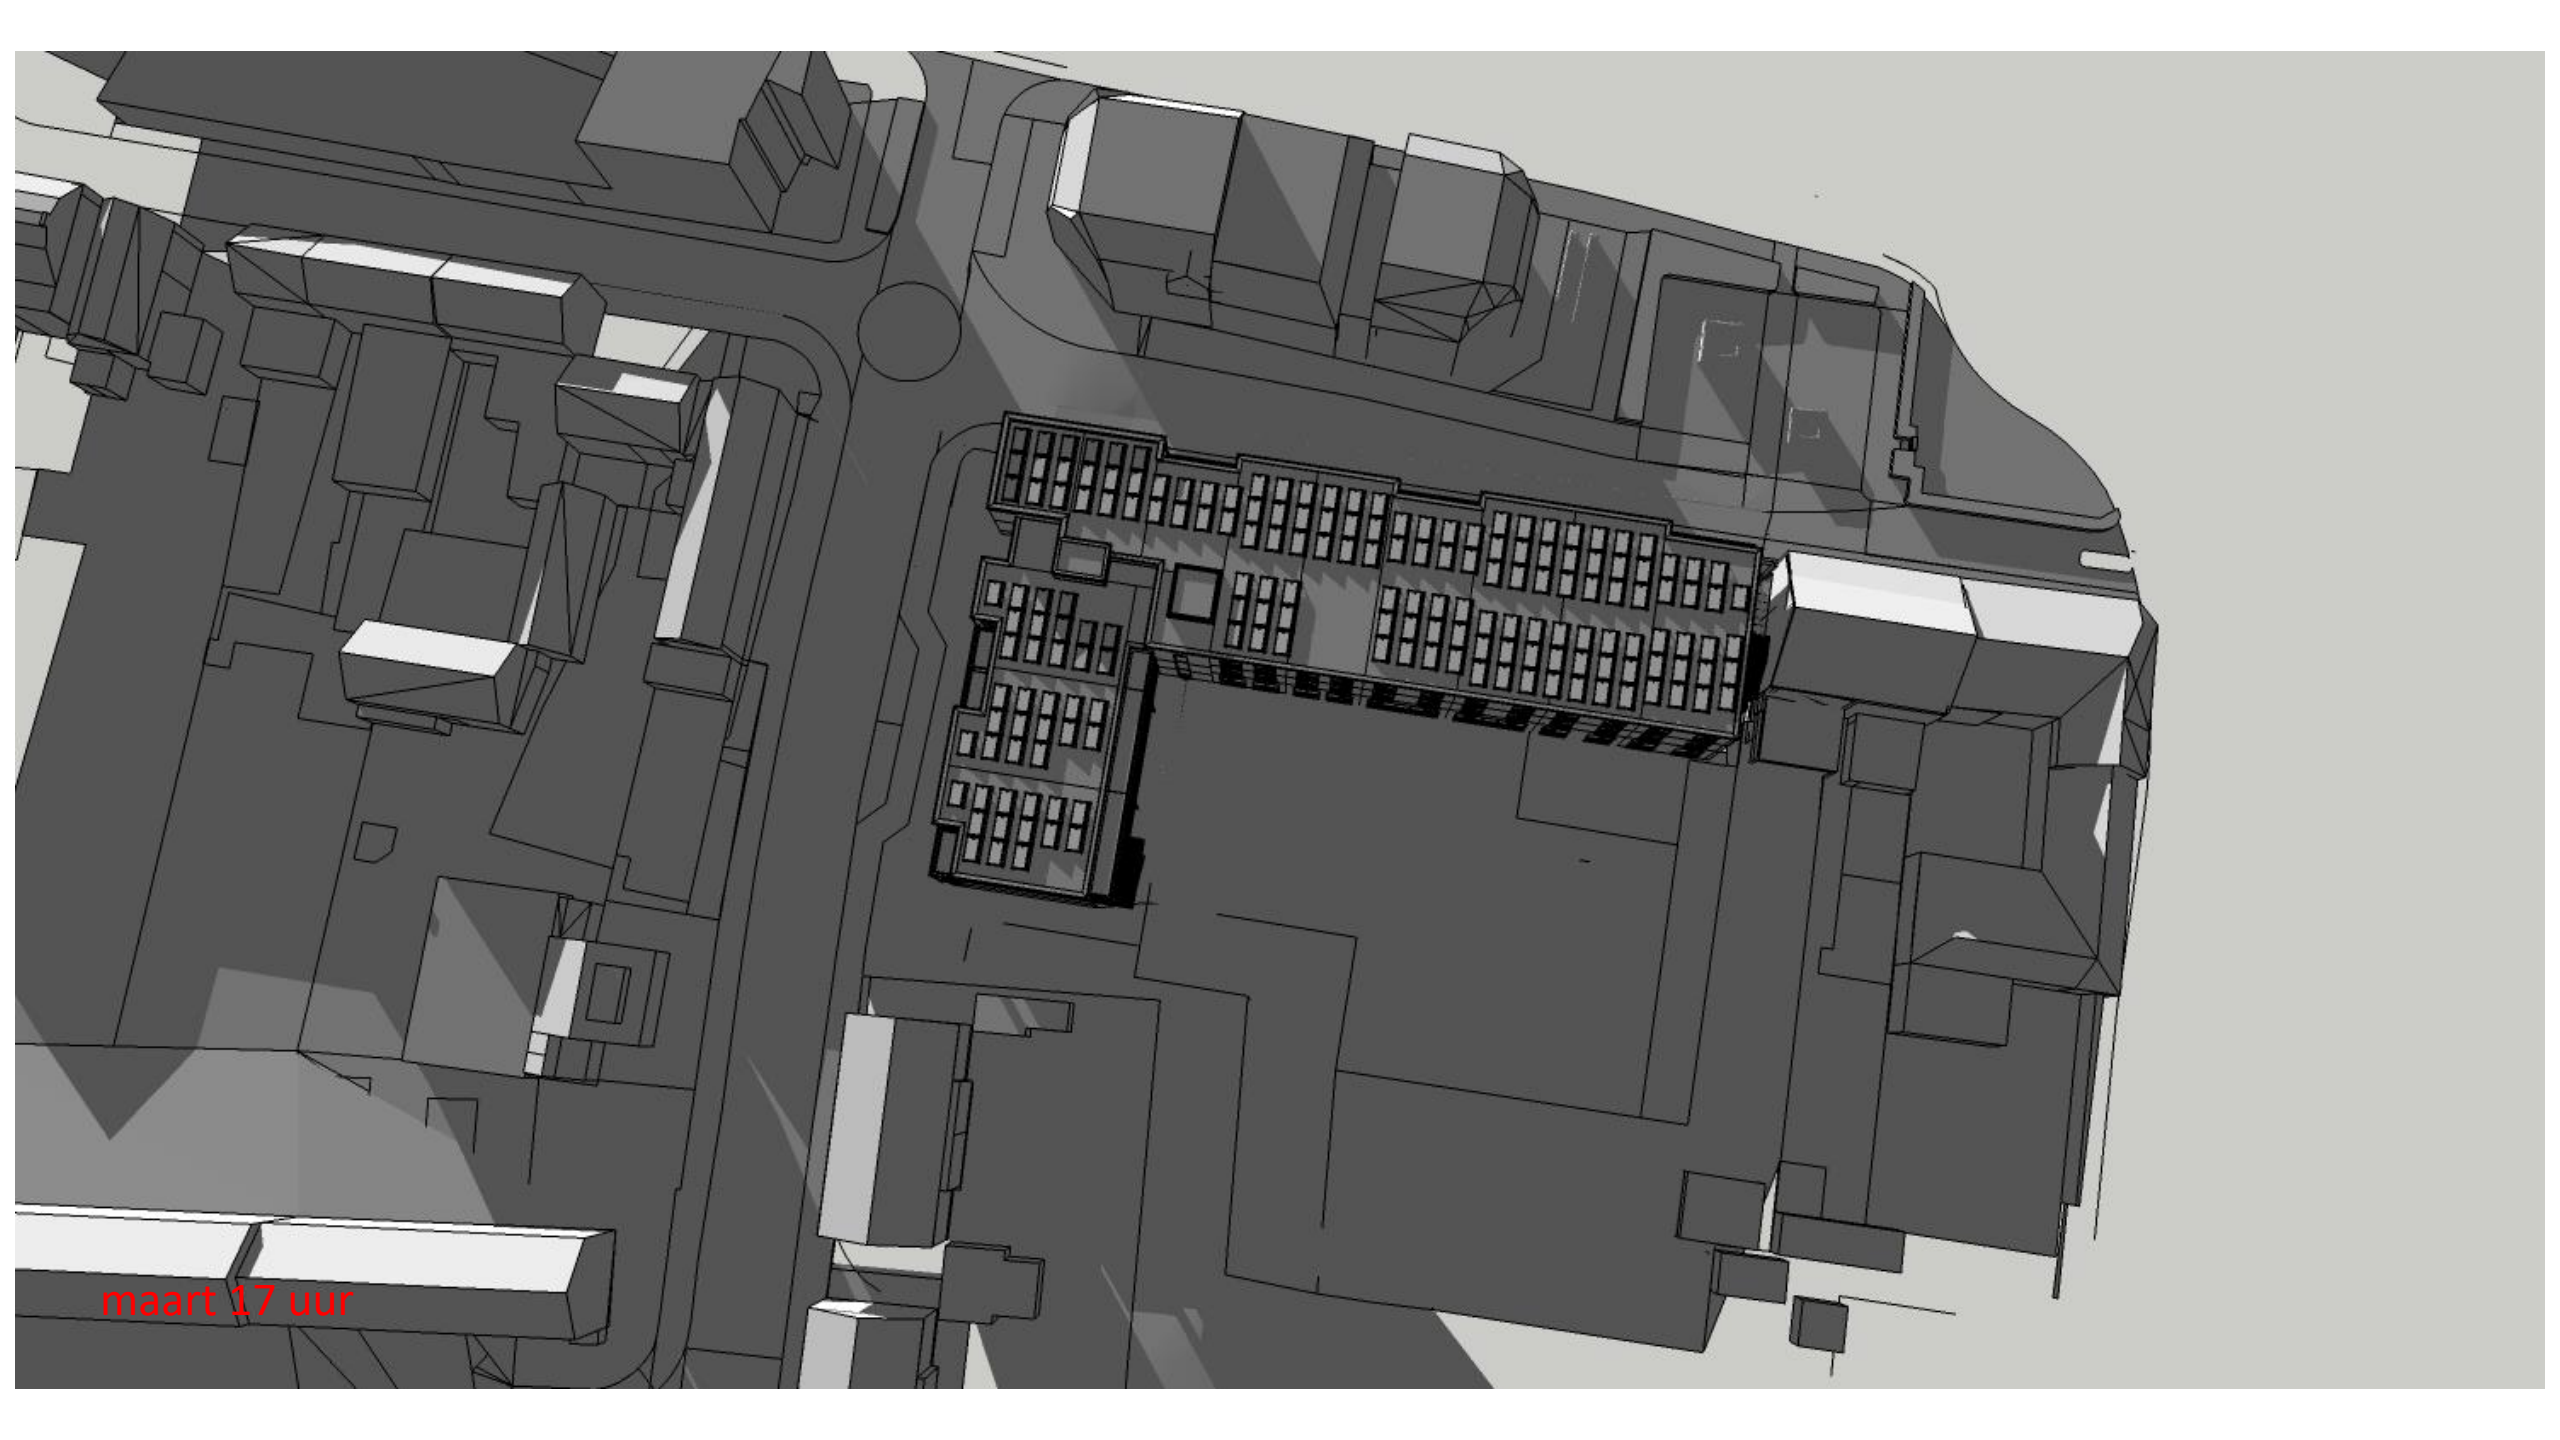

A 3D architectural rendering of a city block, viewed from an elevated perspective. The scene shows several buildings of varying heights and styles, including a prominent multi-story building with a grid of windows in the center. The shadows are cast long and dark, indicating a low sun position. The text 'maart 12 uur' is visible in the bottom left corner.

maart 12 uur

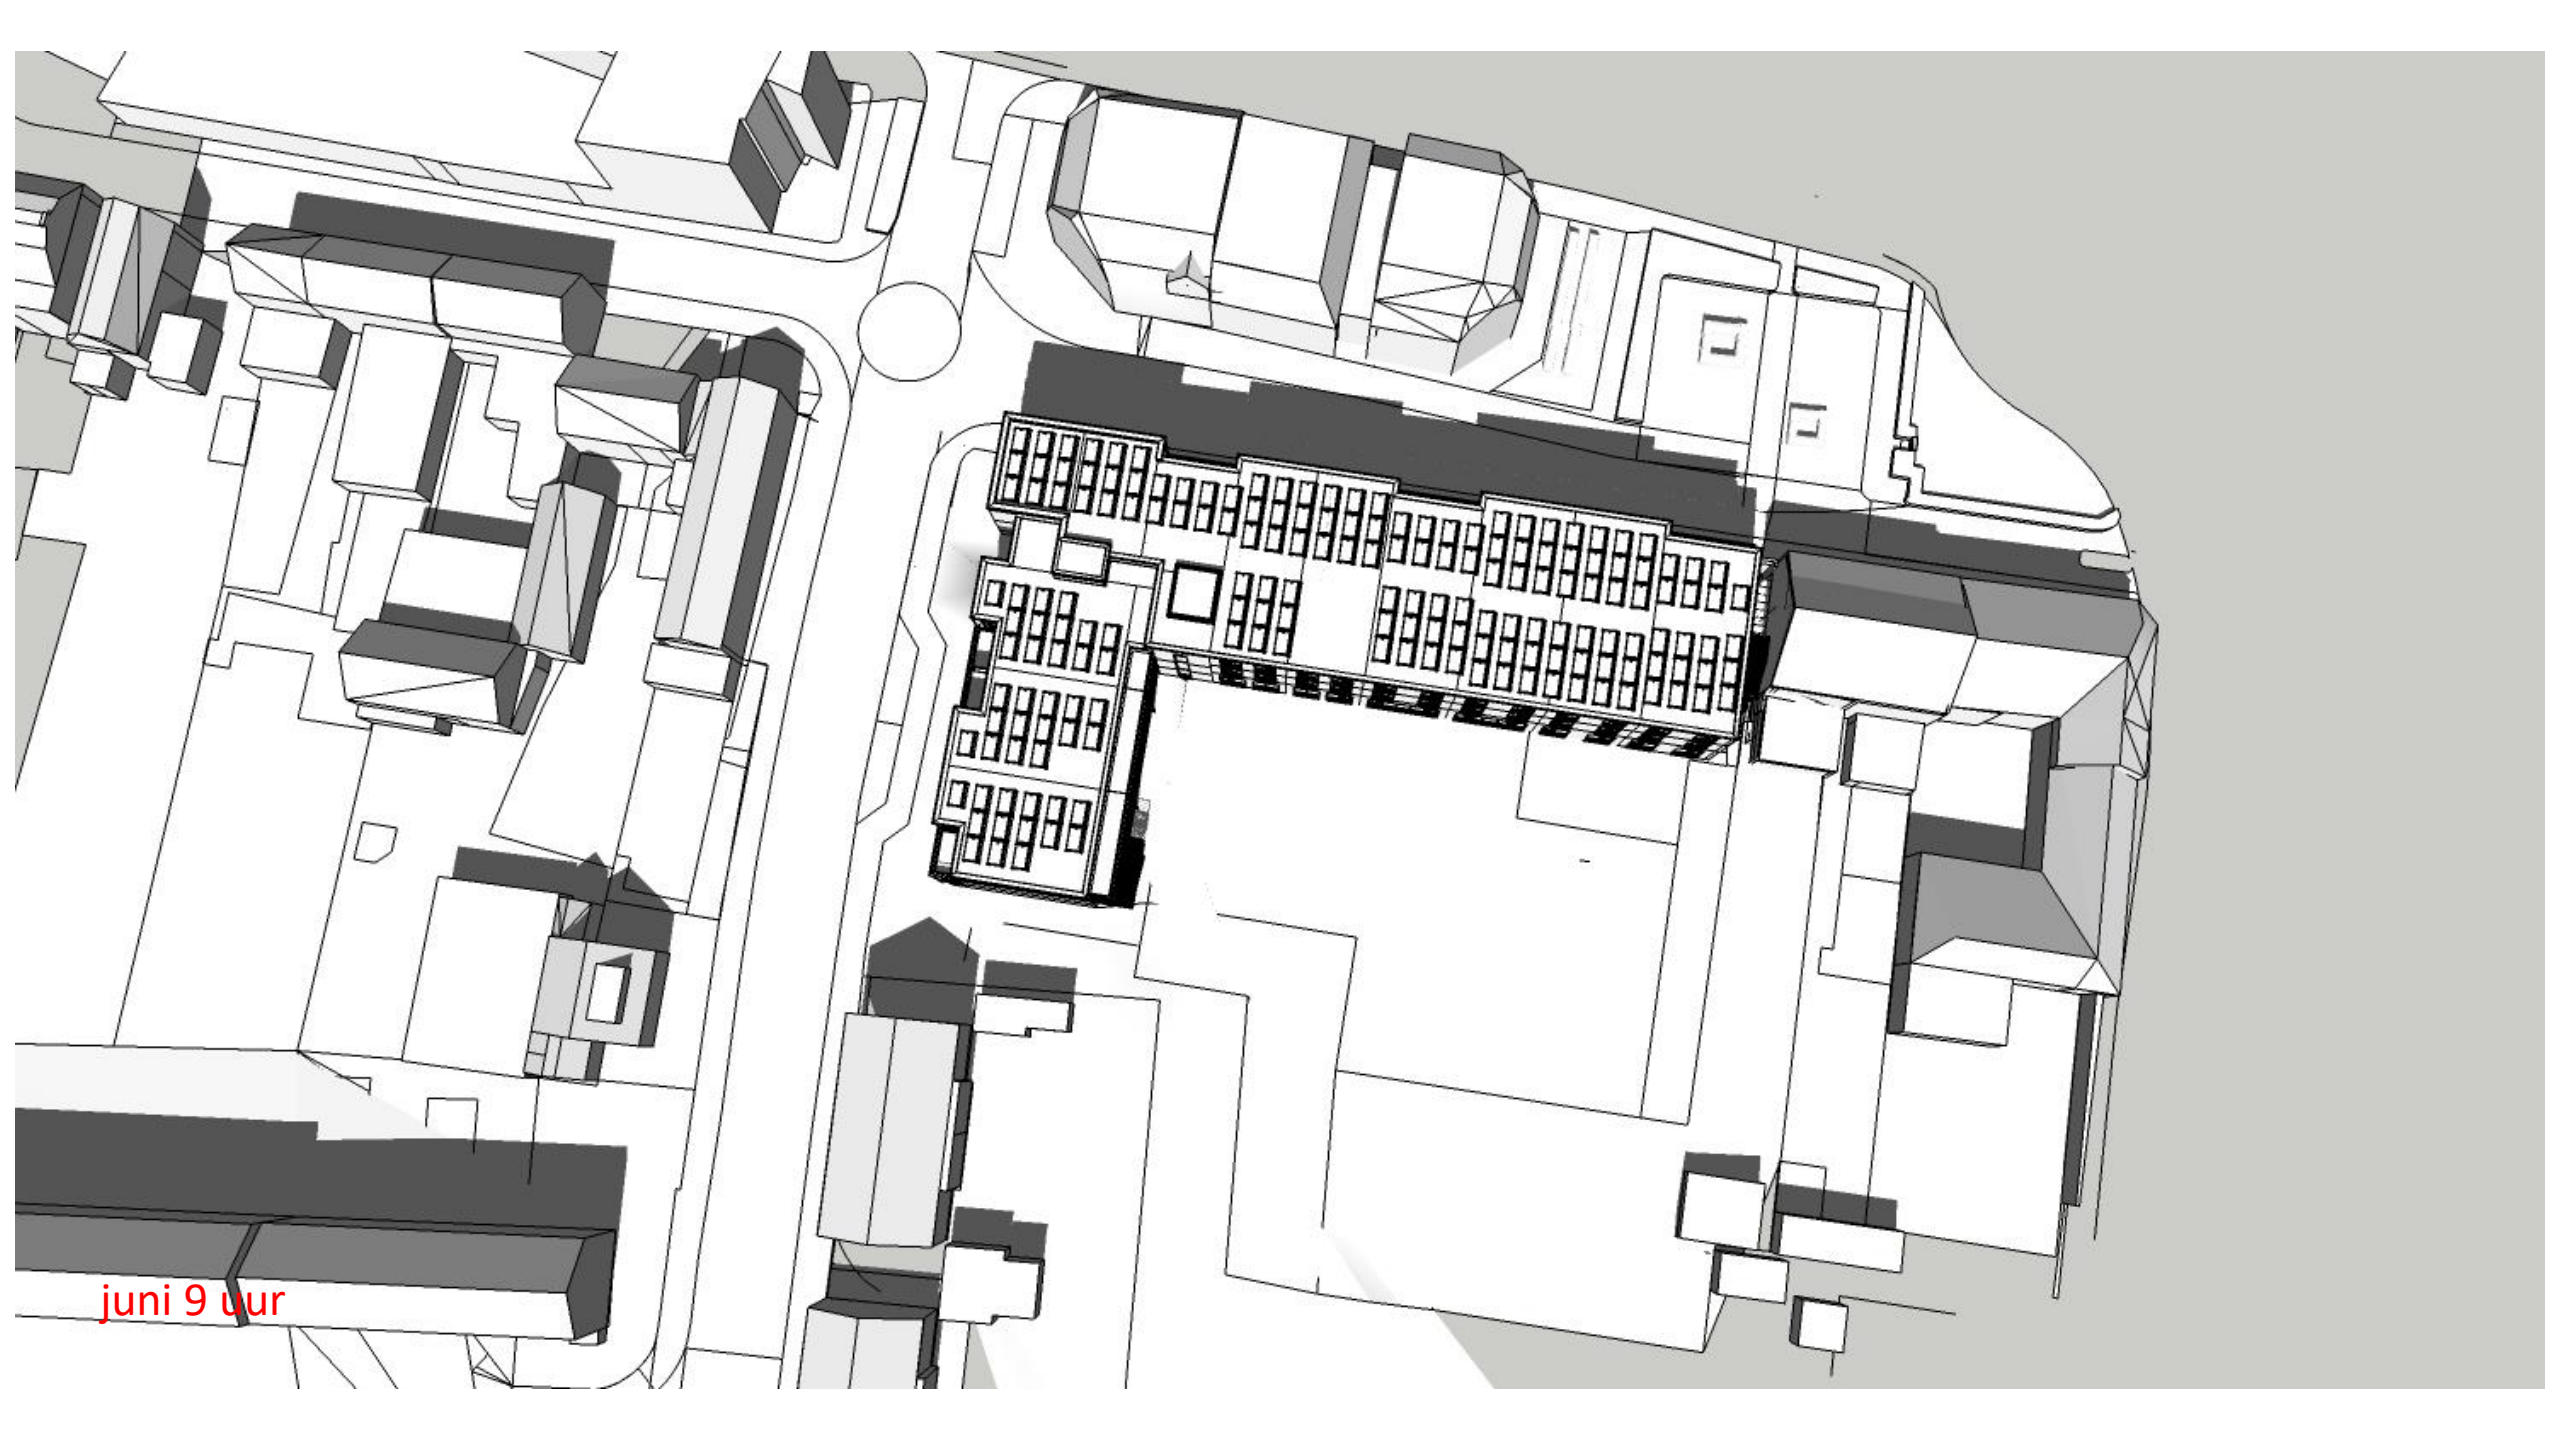

An architectural rendering of a building complex, likely a school or institutional building, featuring a central courtyard. The building has multiple wings with numerous windows. The rendering is in a light gray, wireframe-like style with some shading. The text "maart 15 uur" is visible in the bottom left corner.

maart 15 uur

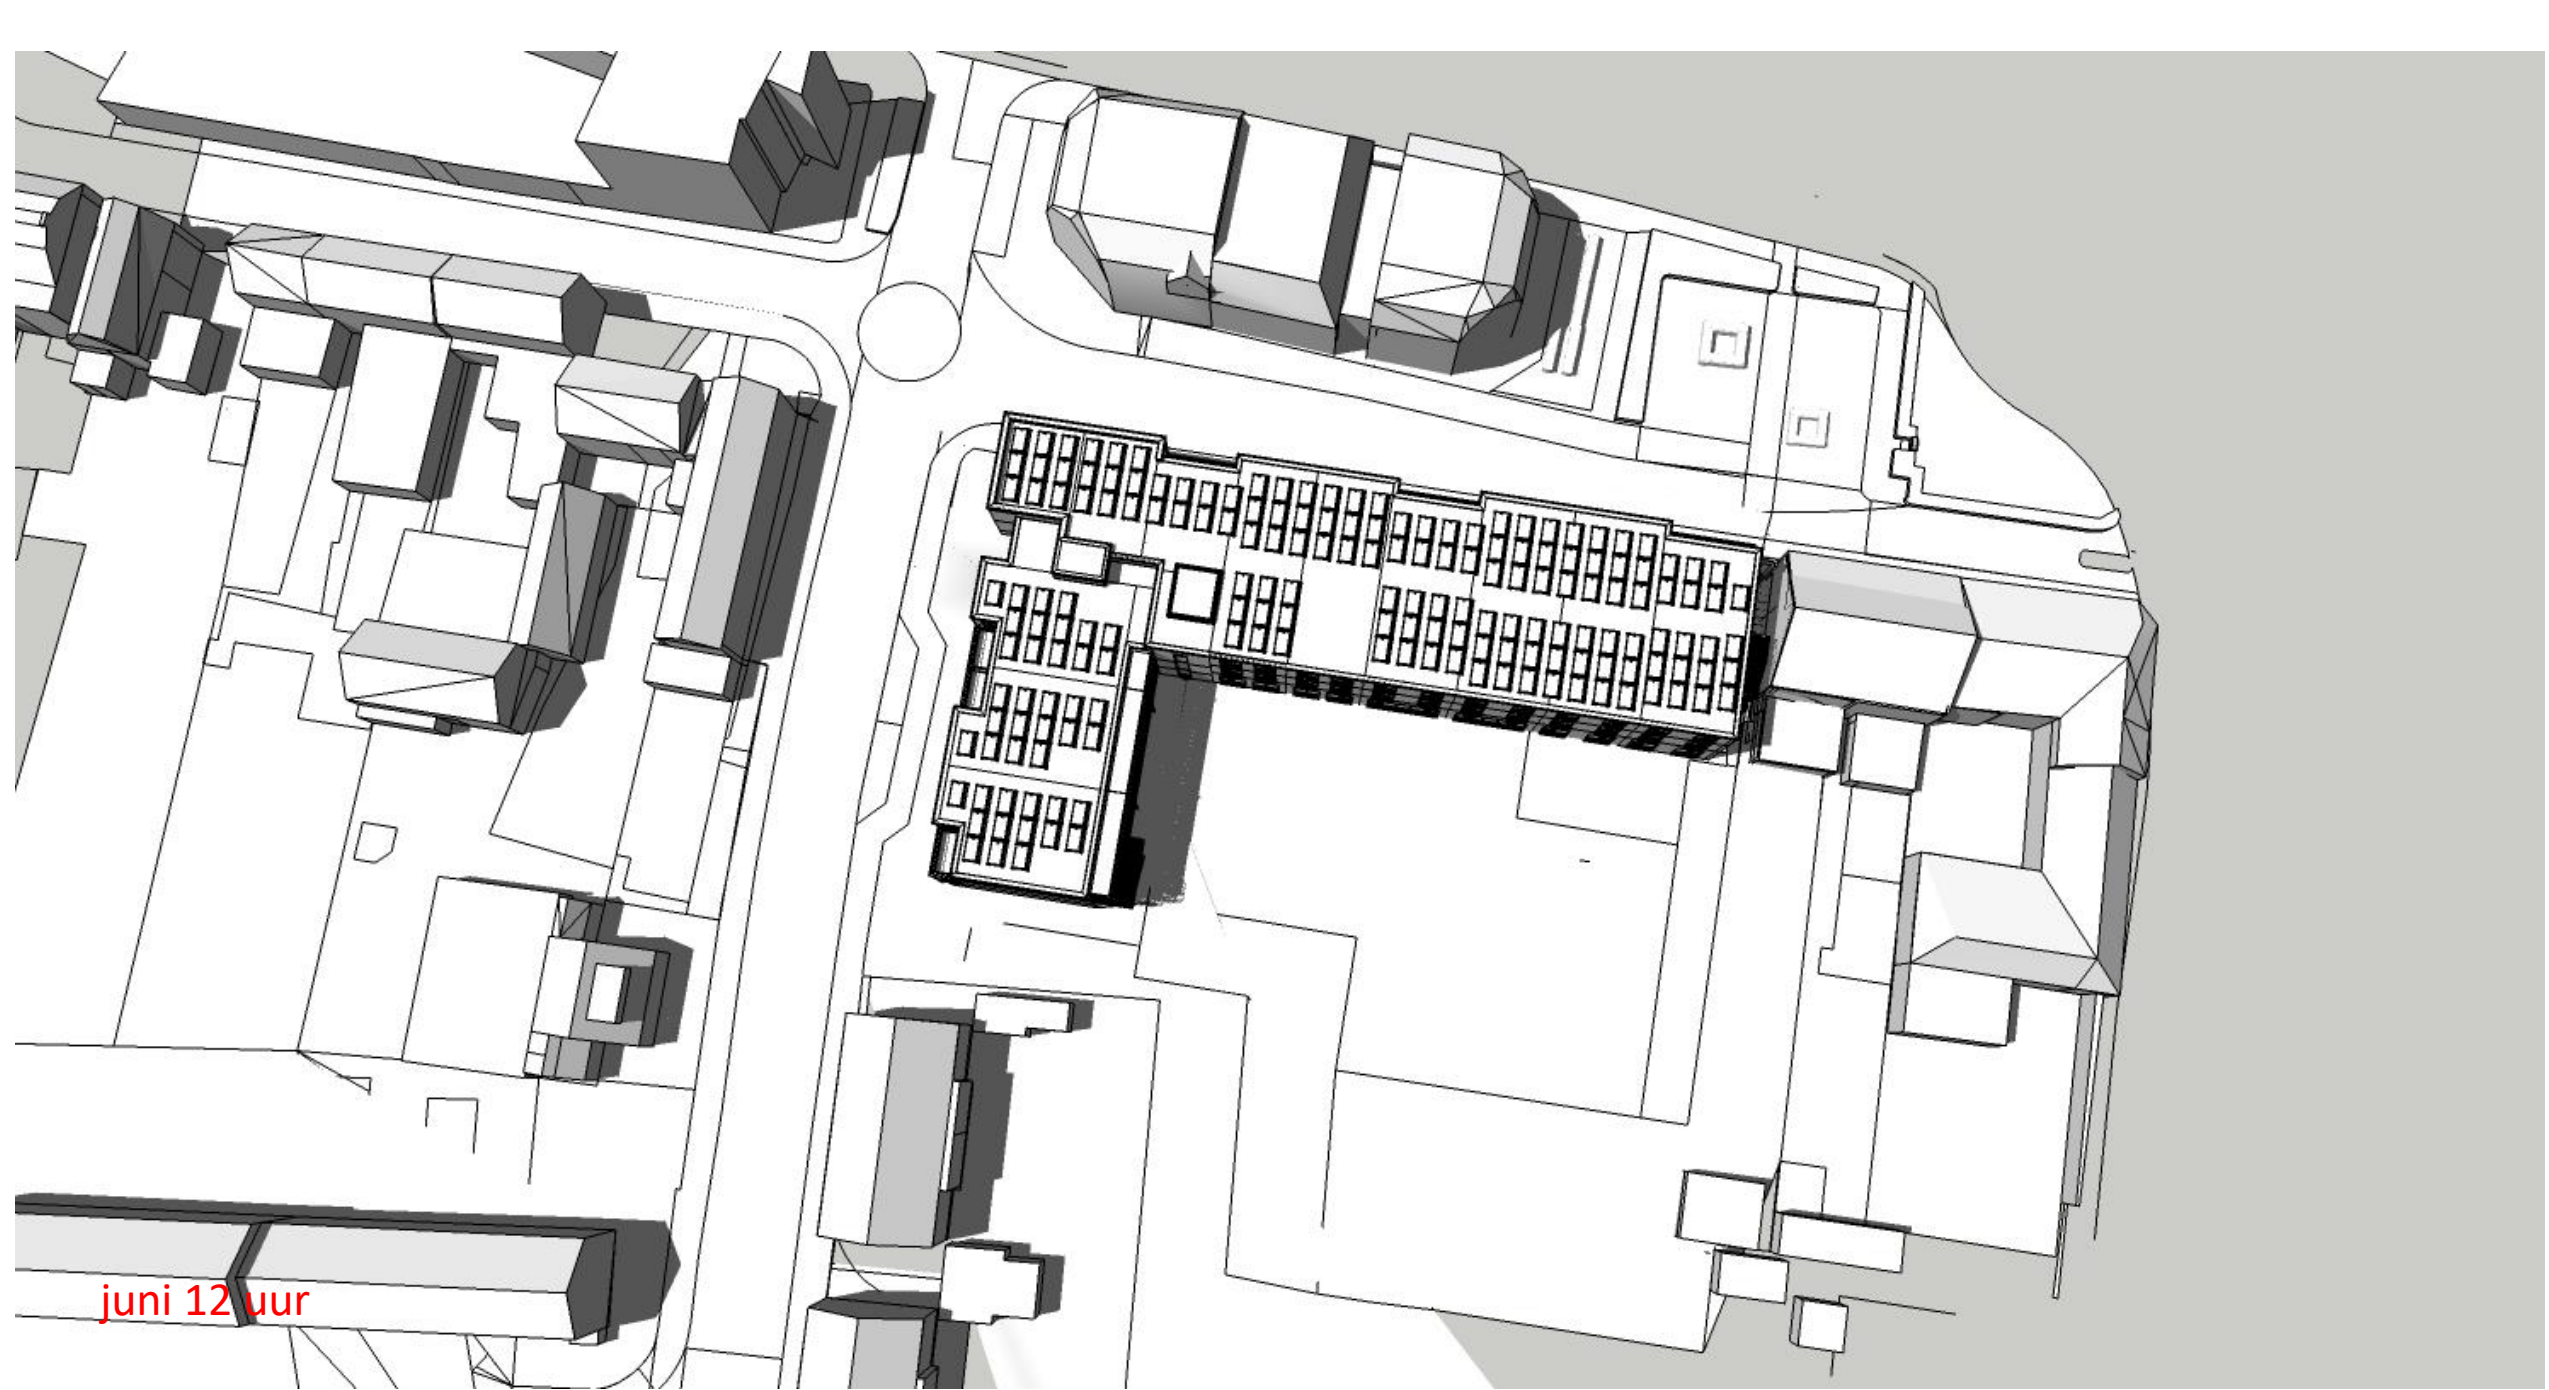

A 3D architectural rendering of a city block. The central focus is a large, multi-story building complex with a grid-like facade of windows. To its left is a smaller, more irregular building structure. To the right is a large, dark, angular building. The foreground shows a wide, open plaza area. The background features more urban structures and a curved road. The overall style is a clean, modern architectural visualization.

juni 15 uur

juni 18 uur

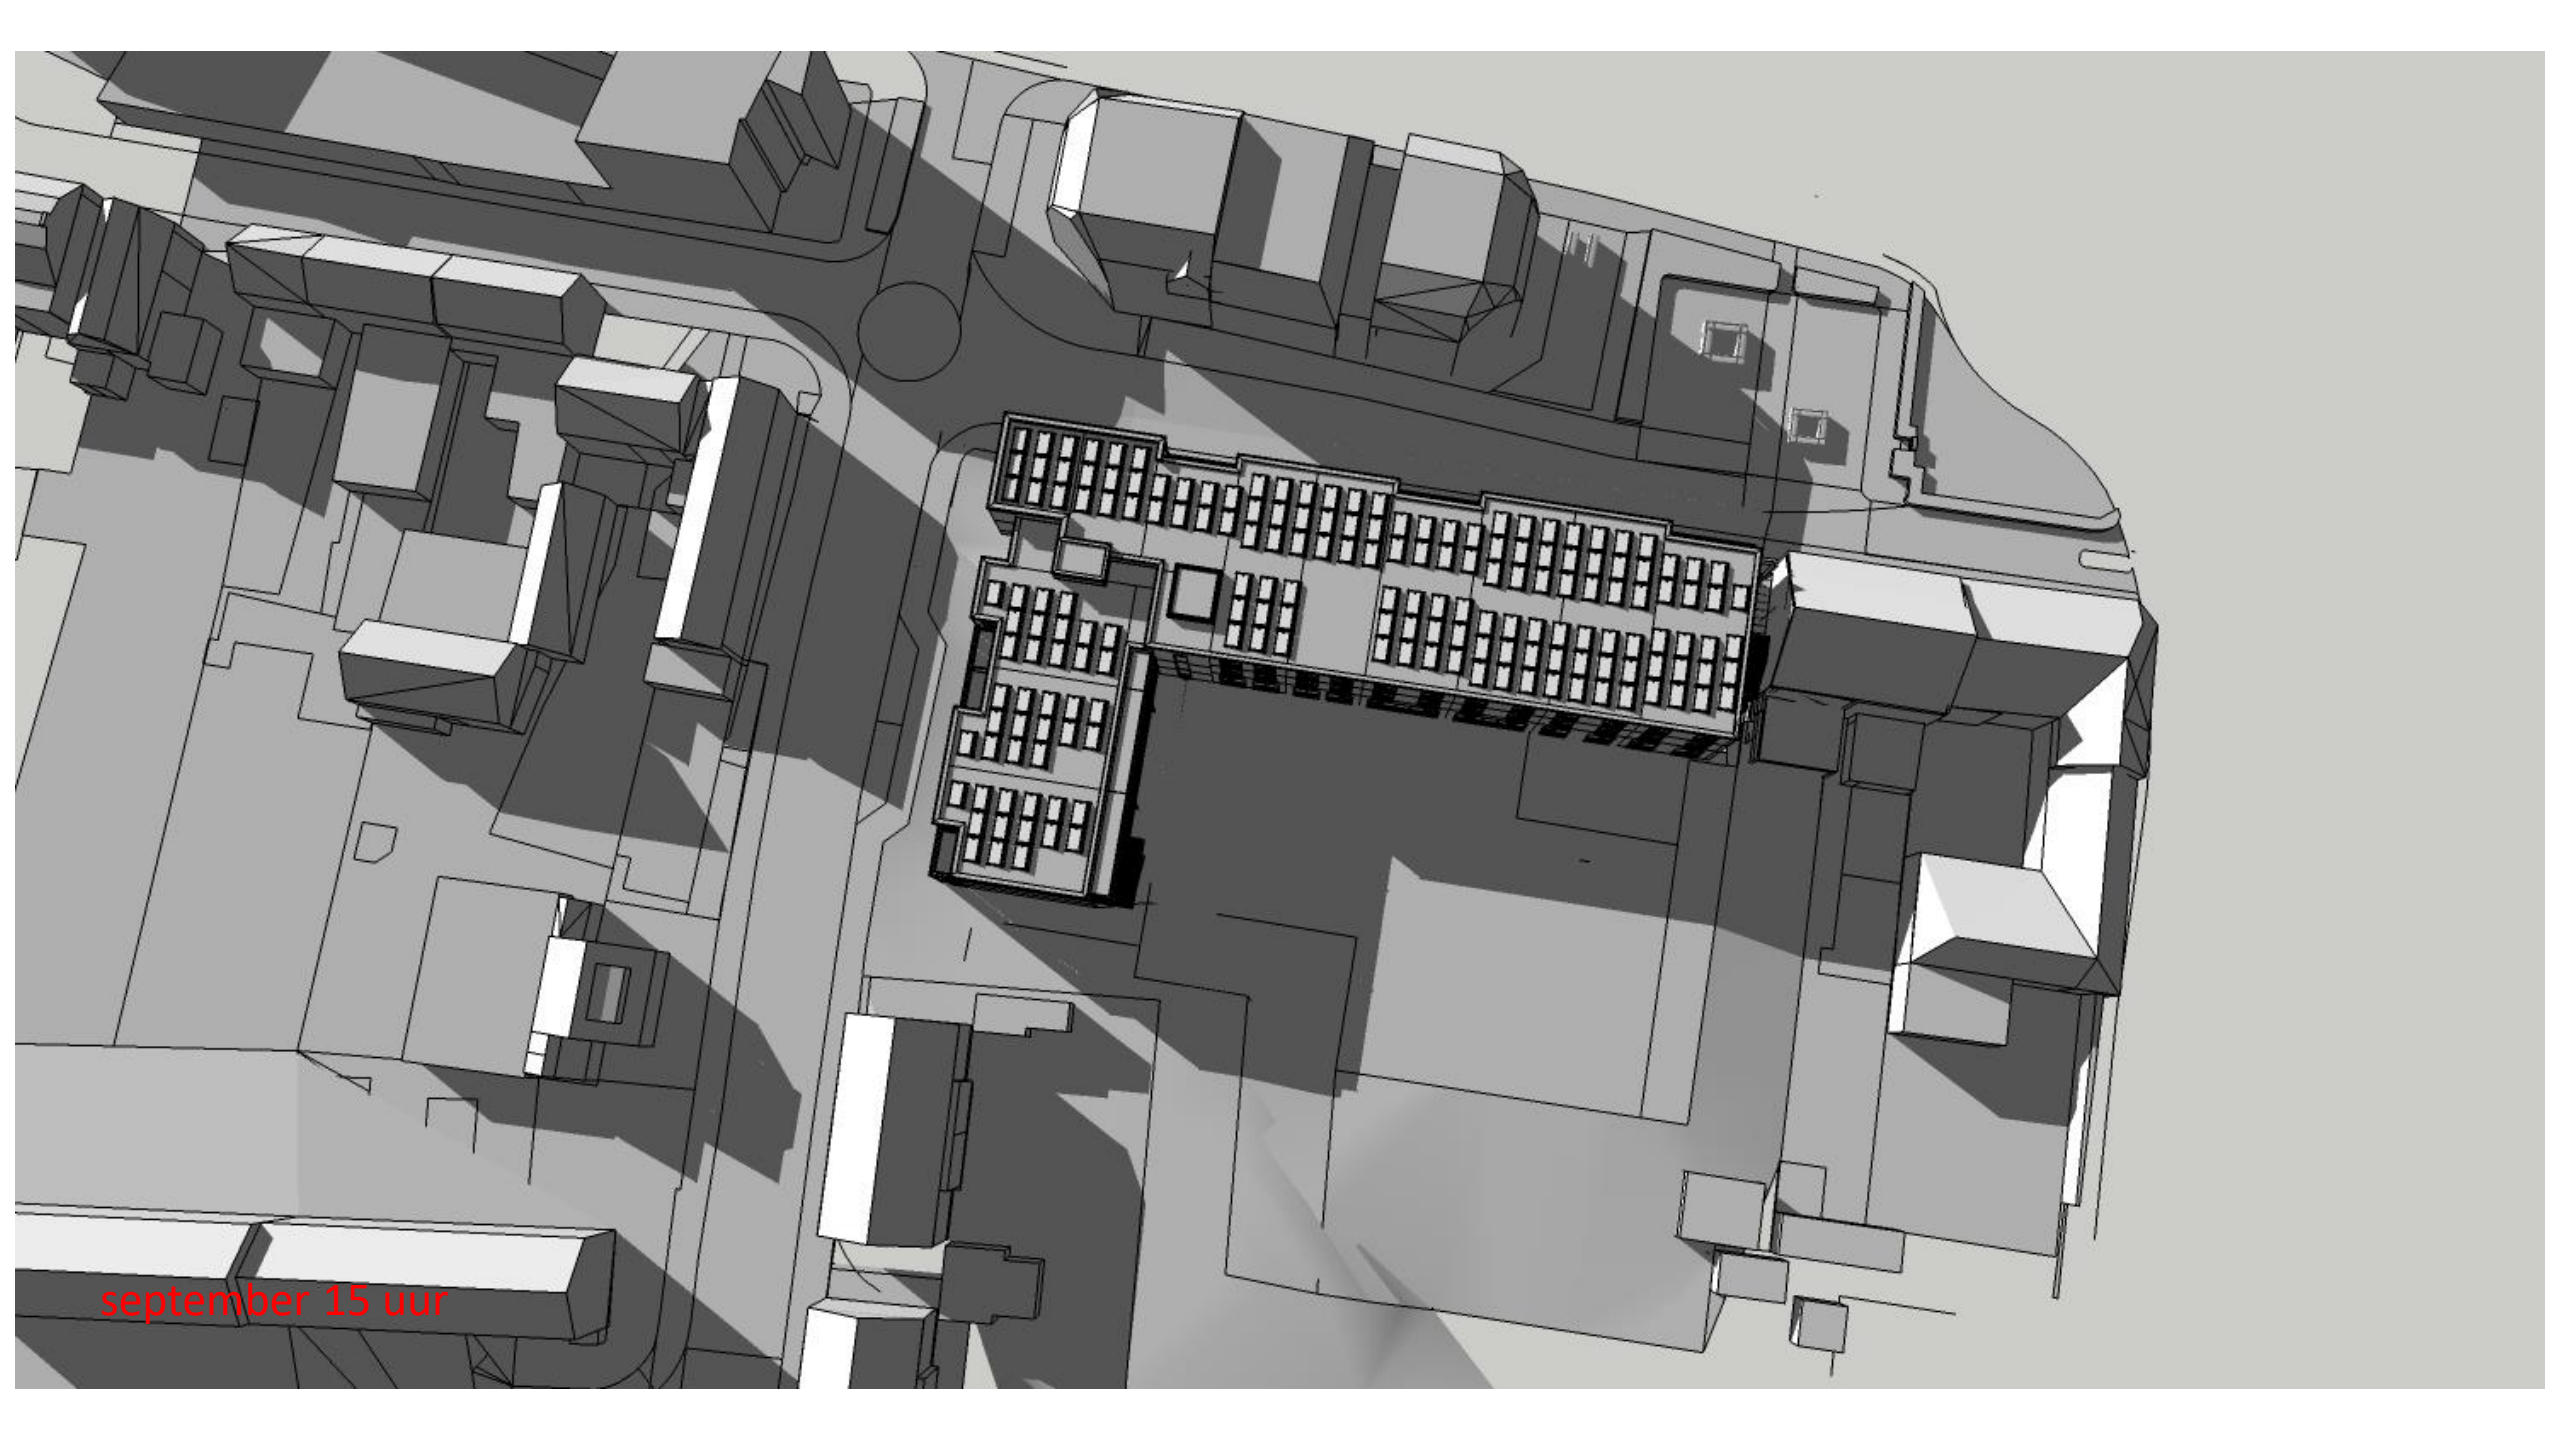

A 3D architectural rendering of a city block. The central focus is a large, multi-story building complex with a grid-like facade of windows. To its left is a street with several smaller, modern-looking buildings. To its right is a large, open plaza area. The background shows more urban structures and a curved road. The overall style is clean and modern, with a focus on geometric forms and light/shadow play.

september 9 uur

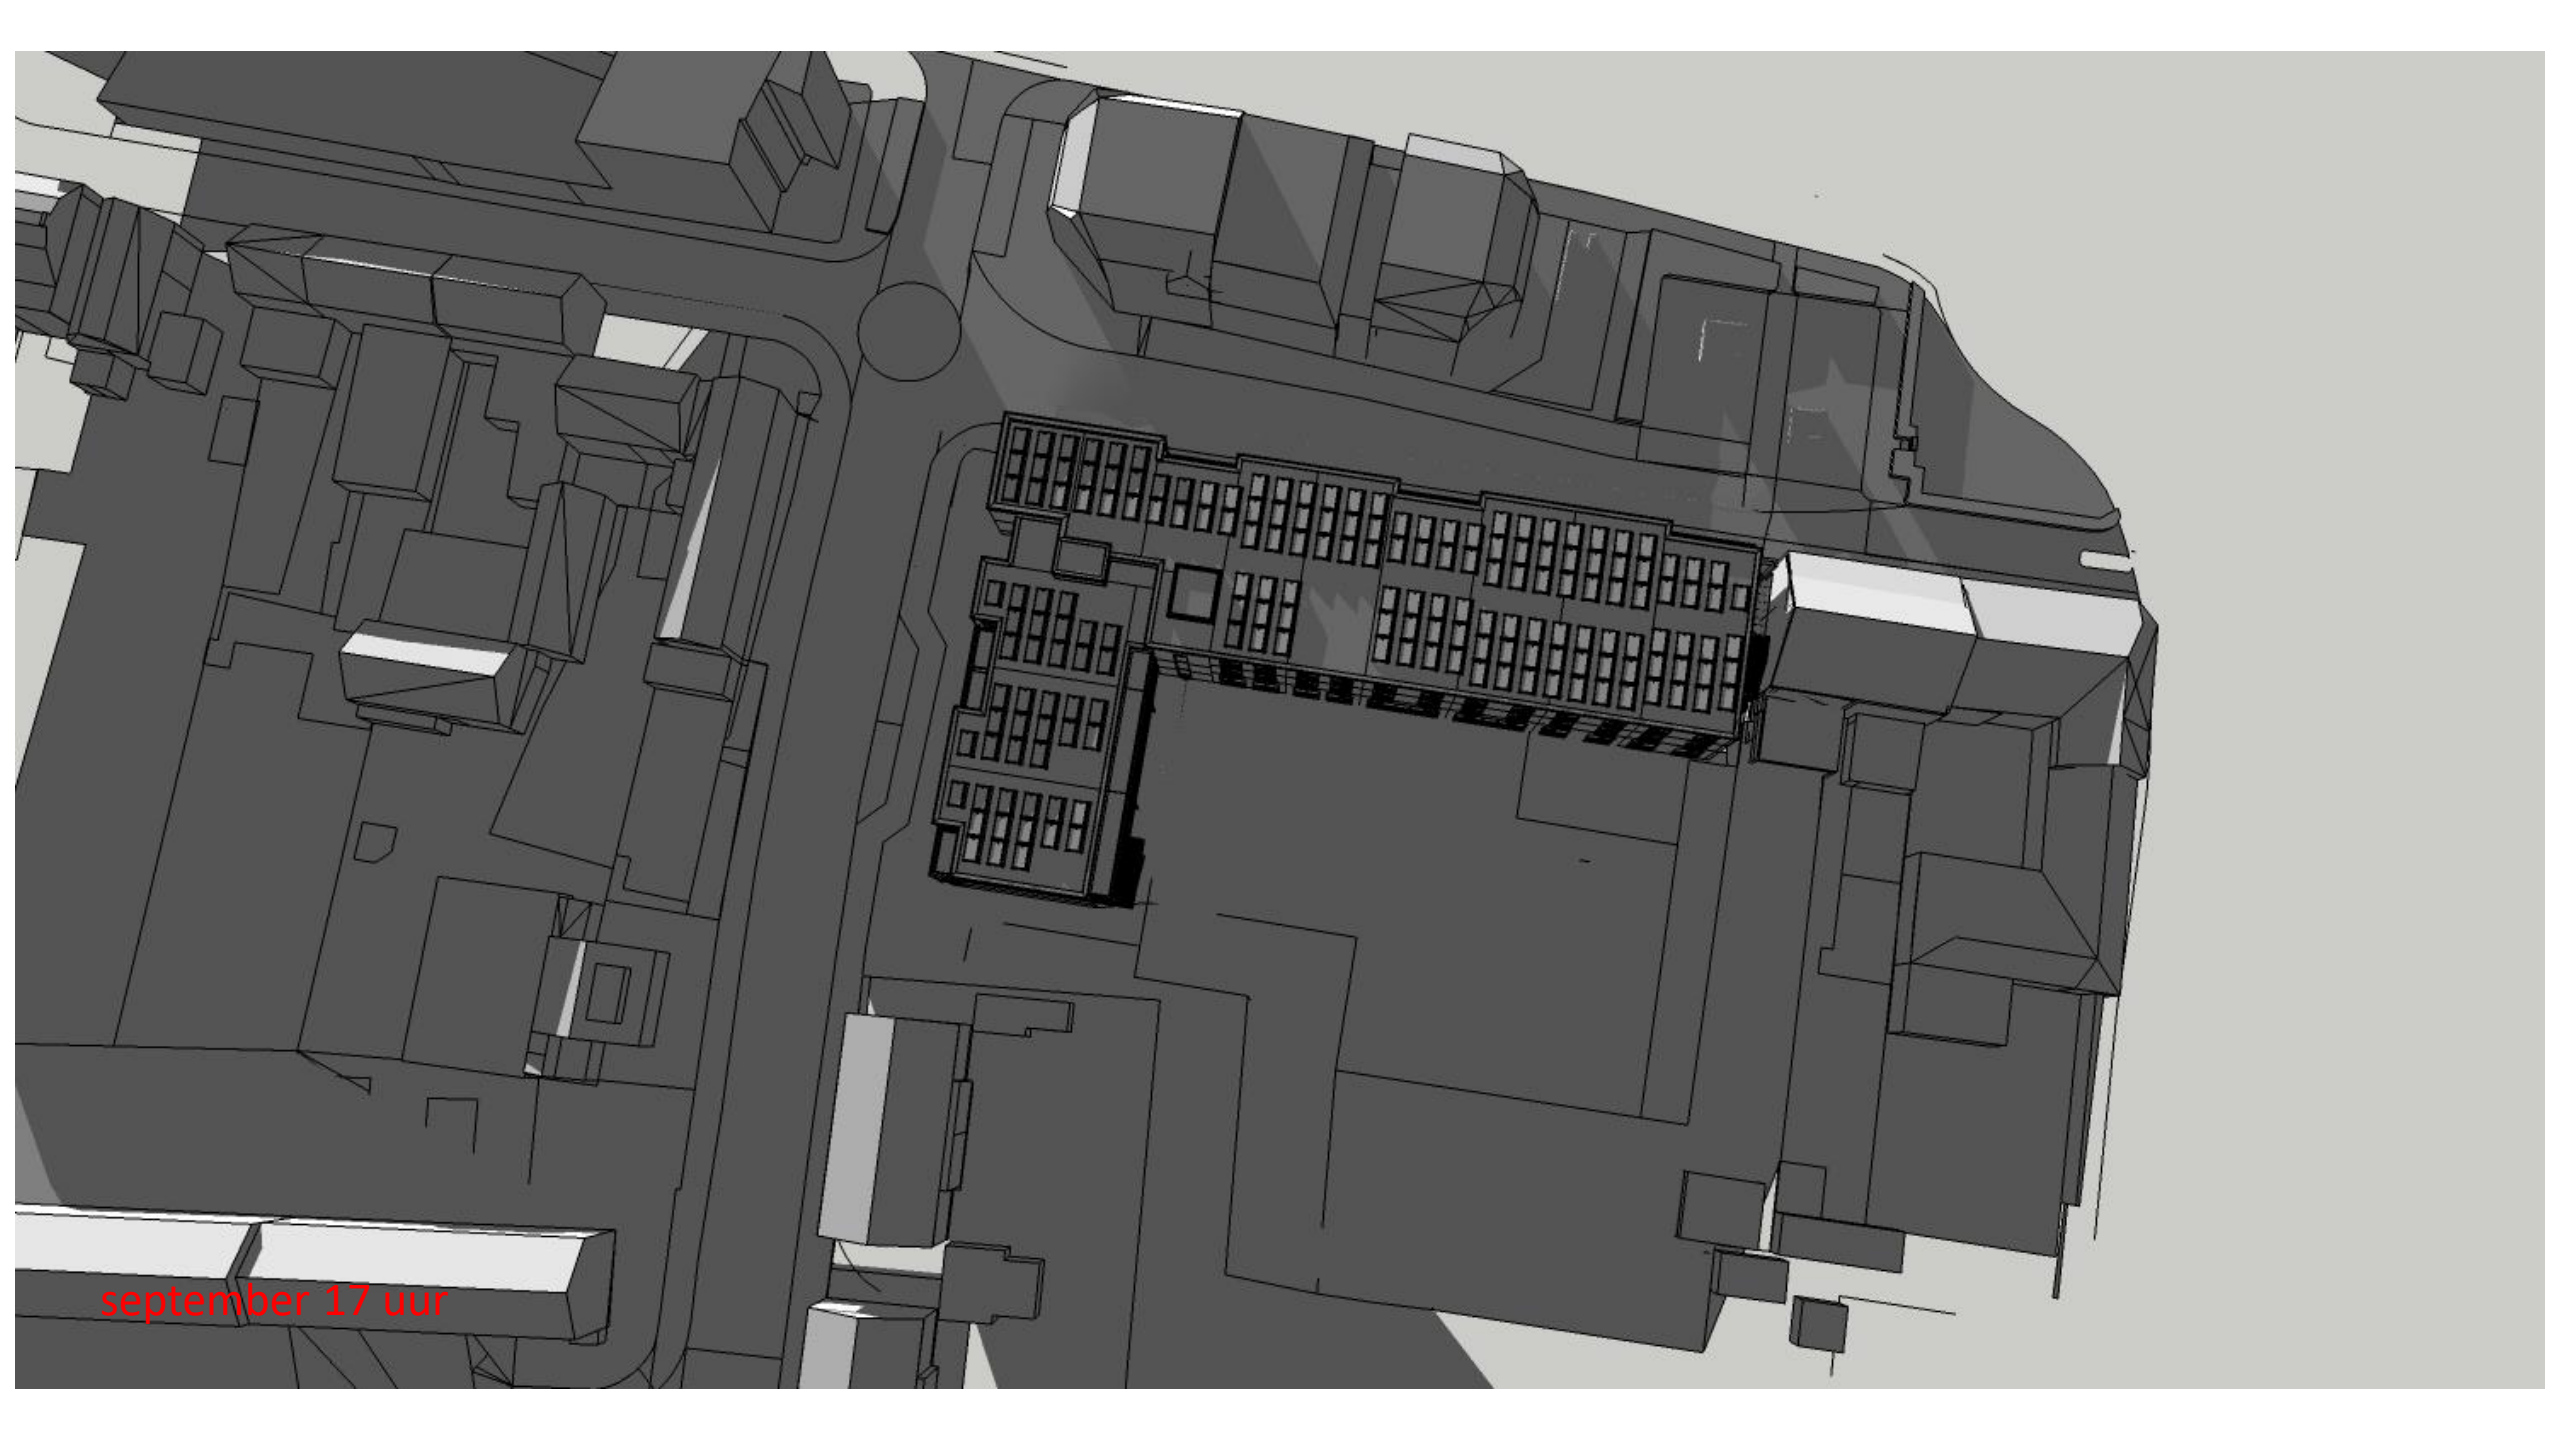

A 3D architectural rendering of a city block, showing various buildings and their shadows. The scene is viewed from an elevated perspective. The central building is a large, multi-story structure with a grid of windows. To its left is a smaller building with a flat roof. To its right is a taller building with a more complex roofline. The shadows are cast from the left, indicating a sun position consistent with the text 'september 12 uur'. The shadows are long and cast towards the right side of the frame.

september 12 uur

september 15 uur

A 3D architectural rendering of a city block. The central focus is a large, multi-story building complex with a grid-like facade of windows. To its left is a smaller, more irregular building structure. To the right is a large, dark, angular building. The foreground shows a wide, flat area, possibly a plaza or street. The background features more distant buildings and a curved road. The overall style is a clean, wireframe-like 3D model with some shading.
